<p>PERTINENT INFORMATION</p> <p>FBI Report - PARAPHRASE</p> <p>National Committee for a Free Albania (NCFA)</p> <p>Confidential Informant T-3 advised that the Democratic Agrarian Party (Balli Kombetar) was represented by Hassan DOSTI in New York. The Balli Kombetar Organization and the Balli Kombetar Independent were singled out as groups unacceptable for admission into the NCFA. Hassan DOSTI was particularly opposed to the admission of these two groups. He remarked that in addition to the ideological differences between the DOSTI group and the Balli Kombetar Organization and the BK Independent there also exists a personal ill-feeling between DOSTI and these two other groups.</p> <p>Informant states that the real reason for the opposition to the inclusion of the BK Org and the BK Ind in the NCFA is based on religious and political conflicts that have existed between these two group and the Albanian Democratic Agrarian Party. He explained that the Agrarian Party through its leaders Vasil ANDONI and Hassan DOSTI, is representative of an anti-religious element of the Albanian people. He described ANDRONI and DOSTI as firm believers in Socialism and as being personally and in their political beliefs anti-democratic.</p> <p style="text-align: center;">THIS IS ALL THE INFORMATION PERTINENT TO THE SUBJECT IN THIS DOCUMENT.</p>
